Detailed description, further notes, observations – continued on next page

Below a waterfall, on a low bank next to the burn, a rectangular stone structure very similar to those found previously – remote, hidden, good water supply but lacking in woodland, though the name of the burn Allt na Doire Buidhe, means burn of the yellow grove.

Present land use

Rough grazing

Past land use

Present vegetation cover

Grass, heather, some bracken in the glen

Nearby monuments or associated features

Topography

Rolling
